Dear Name

Ham Close Regeneration: 31 July 2023 Closure of Car Parks

Following Richmond Council's planning approval for the Ham Close Regeneration, we are now preparing for the first phase of construction. The car parks by Hornby, Newman and Hatch House will be permanently closed from the 31 July 2023. **See the blue area enclosed in the map below.**

We ask that anyone using these car parks finds alternate parking arrangements. Further details will be included in the May edition of the newsletter. For more information, please visit www.hamclose.co.uk or www.hamcloseconsultation.co.uk

Considering the closure of the car parks, we would appreciate information regarding any vehicles regularly parked at Ham Close. This will enable us to

contact anyone whose vehicle remains in either of the above-mentioned car parks. We will also be able to ensure that the remaining parking areas are available exclusively for Ham Close customers. Cars left in either car park after 31 July 2023 will be removed, with the cost charged to its owner.

Please state your vehicle(s) details below:
